PROGRAM IMPACT ON WELL BEING
Survey Results 2005-2016

48% of 9/11 families were struggling or getting worse in 2005, compared to 25% 10 years after 9/11.

The 15th anniversary carried with it significant reminders of trauma and loss.

Family surveys showed:

- Excellent/Getting Better
- Improving But Still Struggling
- Having a Hard Time Coping/Getting Worse
